

ClickSafety – Online Safety Classes
The Leader in Online Safety Training

To: CPMCA Contractor Members, Affiliates, UA Locals and Staff

CPMCA is proud to offer [ClickSafety](#) online training to our members free of charge. As the leader in online safety training solutions, ClickSafety offers a comprehensive library of **over 300 courses** specifically engineered to help you build a world-class safety culture. Developed by Certified Safety Professionals and Certified Industrial Hygienists, these courses are designed to protect your most valuable asset - your employees.

A complete list of classes is available on CPMCA's website at www.cpmca.org/click.cfm. To register for a class, please submit this form to Marta Martin. You will then receive an email confirming that your account has been created. **Some classes must be completed within a certain timeframe (i.e. 2 months) from your start date or ClickSafety will revoke your access. Please be sure to check the access length for each class when you register.**
