Contractors Association

Membership Application

The undersigned firm hereby makes application for membership to the California Plumbing and Mechanical Contractors Association.

We agree to abide by the Bylaws of said organization and have executed the accompanying Collective Bargaining Authorization for the California Plumbing and Mechanical Contractors Association.

I acknowledge that I do not have any interest in a plumbing or plumbing service company that is not signatory to the United Association.

Please complete and sign the attached Mechanical Contractors Association of America (MCAA) Membership Application. CPMCA pays your Membership Dues to MCAA the first year. If your company does HVAC service, you will be signed to MCAA and the Mechanical Service Contractors of America (MSCA). If you are a plumbing contractor, you will be signed to the MCAA and the Plumbing Contractors of America (PCA).

Beginning your second year with CPMCA, if your CED payments are insufficient to cover your MCAA dues, you may be given the option to pay the difference and continue membership in MCAA or withdraw from MCAA membership.
