

## Blueprint for Successfully Navigating Public Works Prevailing Wage Requirements

Learn about the following areas of prevailing wages:

- ◆ Origins and purpose of prevailing wages
- ◆ Define prevailing wage and its requirements
- ◆ Review the requirements for apprentices on public works projects
- ◆ Identify the exceptions to prevailing wage
- ◆ Find out whether you are paying a higher prevailing wage than you need to
- ◆ Learn the difference between state and federal prevailing wages
- ◆ Hear what legislative updates are coming soon

**Thursday, April 17, 2014 - 11:30 a.m. - 1:00 p.m.**  
**JT Schmid's, 2610 E. Katella Ave., Anaheim CA 92806**  
**Members \$30 Guests \$50**

Chris Jenson

Chris Jenson, Intergovernmental Agency Liaison Officer, City of Los Angeles is our presenter

Mr. Jenson has 18 years experience in labor compliance and prevailing wage enforcement. He has been responsible for collecting millions of dollars for thousands of underpaid - or sometimes completely unpaid - workers.

He drafted the City's Labor Compliance Program, referred to as "the model program by which others should be judged." He created the City's SOP manual for the Labor Compliance section.

Chris acts as the City's liaison to the State's Department of Industrial Relations and works extensively with other municipal, county, state, and federal agencies regarding prevailing wages.

Who should attend - contractors and their personnel, contract managers, payroll professionals, financial professionals, project managers, and others who need to know federal, state and City of Los Angeles Prevailing Wage Requirements.

If paying by check, mail registration and payment to  
**CFMA, P. O. Box 17081, Irvine, CA 92713-7081**
